**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

ABSOLUTELY and POSITIVELY, competition is a key American factor in our country, which shall NOT and may NOT ever be curtailed lest free enterprise in this Republic, which is constantly under attack in both small and large ways by internal greedy forces and exterior despotic forces. KEEP AMERICA STRONG. Continue to support competition!

As for Internet, the computing experience is at maximum when speed is maximized through broadband in my work at home.

I also use competitive long distance telephone services.

Let no man, woman or FCC render this asunder!! ever!
